Statement by Governor Jan Brewer
Wishing Arizonans a Blessed Easter

"On Sunday, Christians commemorate and reflect upon the Resurrection as we celebrate Christianity's most sacred holiday: Easter. In many ways, the lessons of Easter transcend religion and custom. Love and hope; salvation and sacrifice; redemption and renewal. These themes are universal.

"As we gather with our loved ones this weekend, let us reflect upon the true meaning of this holy day. Let us be reminded of the daily miracles and countless blessings in our lives. As always, let us keep in mind our military men and women whose service keeps many from their friends and family.

"I wish all Arizonans a blessed, joyous and safe Easter weekend."
